

**AT AWAKEN REALMS, WE SPECIALIZE
IN BUILDING IMMERSIVE WORLDS.**

NOW, WE'RE EXPLORING THE NEXT
EVOLUTION FOR OUR MOST POWERFUL
IPS, SEEKING BOLD NEW FRONTIERS
FOR THE STORIES THAT CAPTURED
THOUSANDS OF PLAYERS.

Tainted Grail is set in a dark, atmospheric world inspired by Arthurian legends, yet with a grim and twisted twist. The story unfolds on the mystical Isle of Avalon, where the once-glorious kingdom has descended into chaos and decay. This cursed land is beset by the Wyrdness, a powerful and malignant force that warps reality, bringing strange and unsettling phenomena that torment the land's inhabitants.

We've set the action for two expansive, narrative-driven board games within the unique world we created. Both games were a BIG success, collectively raising over **\$15 million** and reaching over **72k players**. They received premium ratings on BGG and very positive feedback from the community.

Nemesis Trilogy

Nemesis is a semi-cooperative board game of survival, betrayal, and sci-fi horror. Each player takes on the role of a unique character, trying to complete personal objectives while facing deadly threats, dwindling resources, and growing tension among the group.

NEMESIS TRILOGY

Set across a trilogy of standalone but thematically connected stories, Nemesis throws players into hostile environments - from derelict starships to forsaken facilities - each crawling with nightmarish Intruders. Whether you're trying to escape, destroy the threat, or sabotage your allies, your path to victory is never simple... or safe.

In Nemesis, survival is anything but guaranteed.

Dragon Eclipse - setting overview

Step into a magical world of ancient dragons and mysterious creatures in **Dragon Eclipse**, a thrilling board game for 1-2 players. Journey through a realm transformed by a powerful eclipse and uncover the secrets that lie in its shadow. The world is full of danger, wonder, and rich stories waiting to unfold.

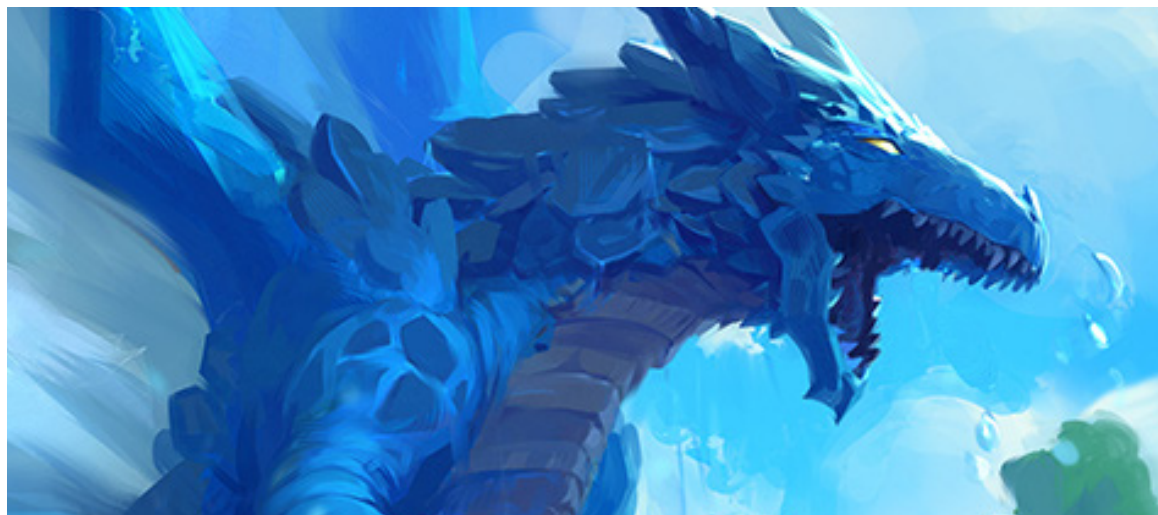

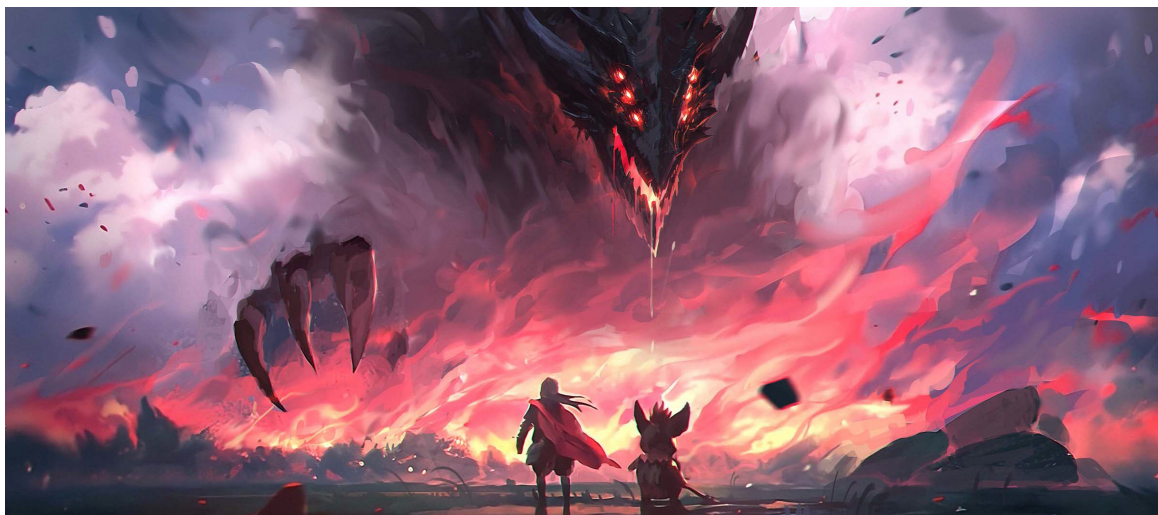

As you journey through wild forests, ancient ruins, and glowing caverns, you'll meet strange and powerful creatures - Mystlings, from which some will turn out fierce, and some friendly. Each new encounter holds echoes of past battles and looming danger, testing your courage as you uncover the secrets shaping this mysterious world.

Lands of Evershade invites you to explore a realm suspended between dusk and dawn, where the sun no longer shines freely, ancient powers stir in forgotten corners, and every path is shadowed by mystery.

Evershade is a living, breathing world shaped by lost empires, fractured realms, and those brave enough to challenge their fate. Each journey weaves a rich tapestry of legend, sacrifice, and wonder, where your choices leave a mark on the land and its people.

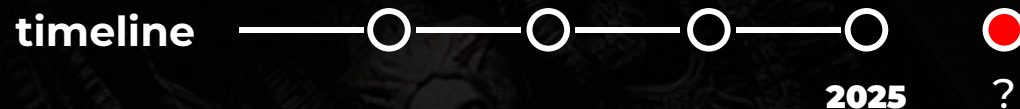

Discover a world where every region tells a story, every encounter carries weight, and the greatest adventures lie just beyond the edge of the map. The journey into Evershade is just the beginning. While your travel begins here, the next chapter is already waiting for you to write it.
